FACIT ALLEMANSRÄTTEN

Allemansrätten exists so that all people have the same opportunities to move in nature, and is thus a requirement for outdoor activities. Allemansrätten is not part of any set of rules, but responsibility for learning to interpret the landscape and determine what you are allowed and not allowed to do in nature lies with each individual.

- Question 1** What is the basic rule of Allemansrätten?
X. Don't disturb, don't destroy
- Question 2** What are you allowed to do on other people's land?
1. Walk, jog, cycle, ski, and ride horses
- Question 3** What is it important to remember when you pass through someone else's land?
1. Not to walk across someone's plot, planted area or growing crops
- Question 4** Where in nature are you allowed to pitch a tent without permission?
2. On someone's land with no nearby dwelling houses is ok for one night. (If you are pitching more than one tent, you should have the landowner's permission even if it's only for one night.)
- Question 5** What applies when you go swimming in nature?
1. You may go for a swim at someone's beach if there are no dwelling houses nearby
- Question 6** What is it important to remember if you bring a dog into nature?
2. To respect animals and their babies, and to keep the dog on a leash from the 1st of March to the 20th of August
- Question 7** Neither hunting nor fishing is covered by Allemansrätten, but where are you allowed to fish without a fishing card?
1. By the coast, and in the five biggest lakes in the country
- Question 8** Are you allowed to break branches and fell trees?
1. No
- Question 9** What are you allowed to leave in nature?
X. Anything that doesn't make it look messy and unpleasant for the next person along
- Question 10** What is it important to remember when you make a fire in nature?
1. Never to make a fire on a rock, and to always put the fire out properly
